THE FAST FERRY - BOSTON TO
CAPE COD IN 90 MINUTES.

bostonharborcruises.com

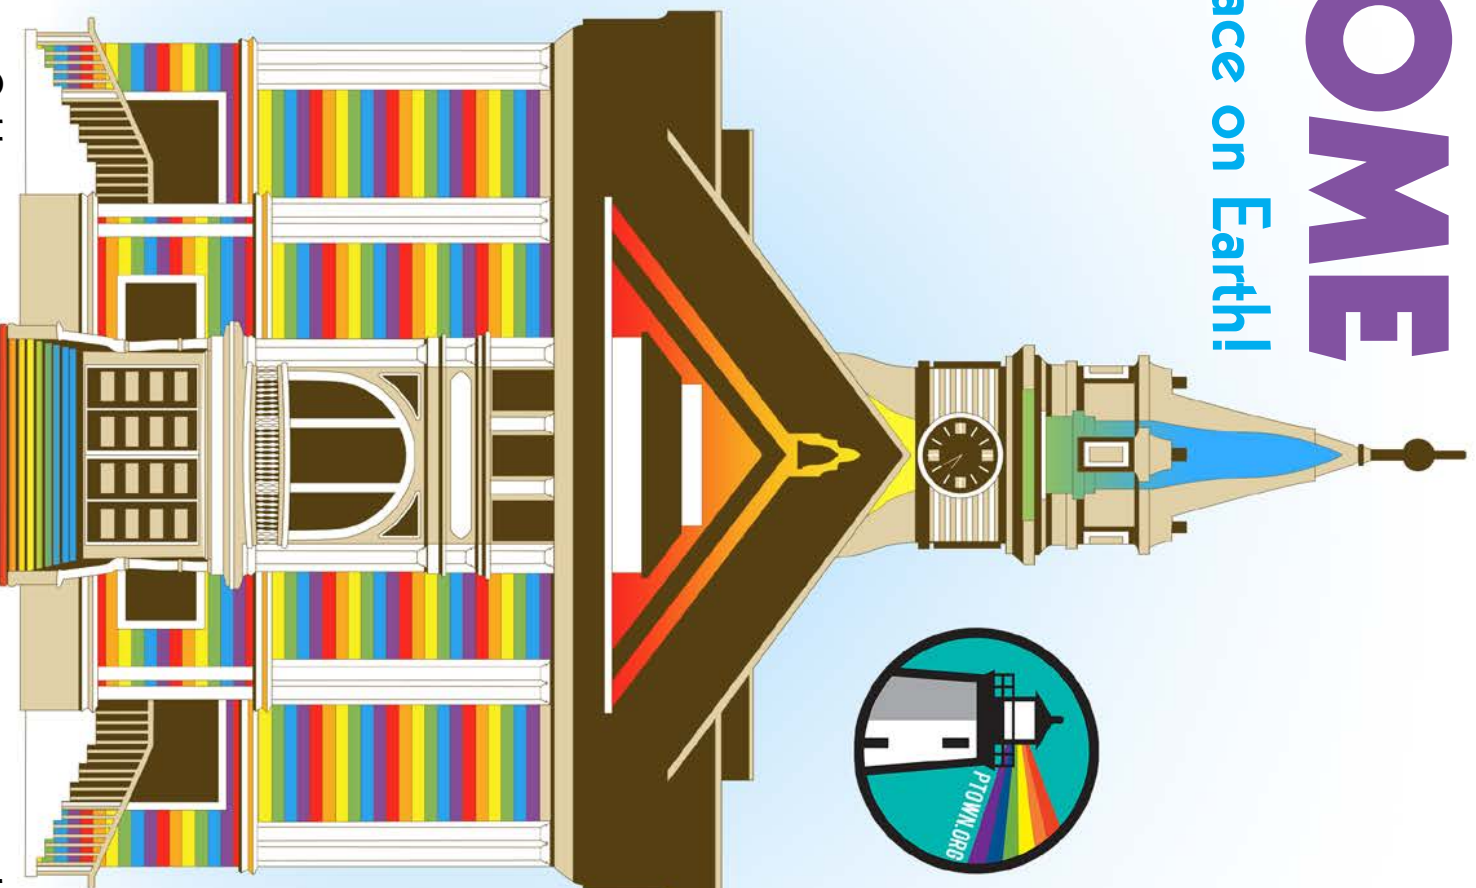

WELCOME to the Gayest Place on Earth!

YOU BELONG HERE!

Every letter of the alphabet and every range on the spectrum. Provincetown is the LGBTQ epicenter of the universe. There is something for everyone in Provincetown. It's a bucket-list destination, and also a repeat destination.

World class beaches, dining, shopping, entertainment, galleries, and incredible lodging options, and don't forget the whales! Provincetown is the closest land point to whales in their natural habitat. You can frequently see them from shore.

Catch one of our fabulous cabaret shows, or pop into one of our museums. There is no shortage of outdoor and indoor activities to choose from, none of which are dull.

Did we mention our incredible bike trails through the Cape Cod dunes. Or, you can opt to do nothing but relax and soak up that Cape Cod sun, or venture off on a solitary hike through a nature preserve. Do it all, or just relax. Provincetown has options for everyone, and all are welcome and safe here.

YOU BELONG HERE!

Let's not forget the history...
This year is the 400th anniversary of the Mayflower's first landing in Provincetown in 1620.

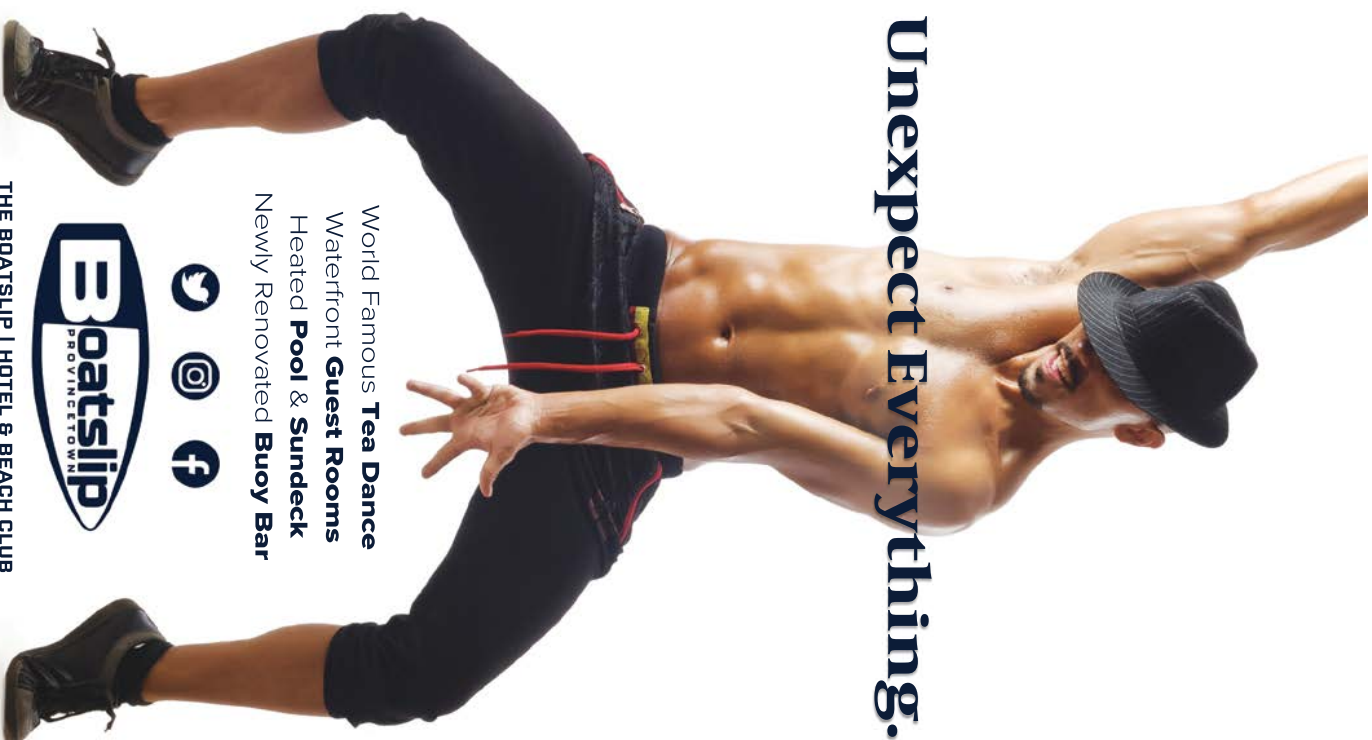

The Pilgrim story started here!

Diversity makes for a better cocktail party.
