

Provincetown SummerONE Program

Welcoming the Next Generation of Provincetown Visitors

PBG // Provincetown Pride Center

Dates of Program:

Provincetown Pride: May 31- June 2, 2024

What it's About:

Less than 6% of Provincetown visitors are under the age of 35. In order to engage and grow our younger visitor demographic, the Provincetown Pride Center has partnered with Provincetown Business Guild (PBG) lodging members to offer an accessibility opportunity for visitors between the ages of 21-29, with an emphasis on first time visitors. Not only will you get the opportunity to share in the magic of Provincetown at a more affordable rate, but the program hopes to serve

as a reminder to younger LGBTQ+ generations that Provincetown is a space for them too, and that our community is actively seeking to welcome future generations so they will continue to visit Provincetown for years to come.

This year the PBG has partnered to acquire 20 rooms for a 2-night stay in Provincetown over Pride Weekend (May 31 - June 2, 2024). These rooms will be given away through a lottery system application for LGBTQ+ visitors between the ages of 21-29 who wish to come to Provincetown at an affordable rate (\$50/night). Selected winners will also be provided with round trip ferry passes through Boston Harbor City Cruises, as well as tickets to our featured Pride Weekend event at Town Hall, the 'Pride Queer Comedy Showcase'. Winners may bring one additional guest to share their room if they wish. However, only participants, and their guests, between the ages of 21-29 will receive comp ferry passes and show tickets. Applicants themselves must be between the ages of 21-29 and may enter the SummerONE Program lottery by completing the online survey in the link below. The application deadline is April 12, 2024.
